Propbusters' Perspective

The Club Officers would like to thank everyone who made this year's Fun Fly the greatest.

It may have been a tad windy, but that didn't stop pilots from coming out and showing their skill. With Jack and Todd leading the way through the day, a great time was had by all. Last year's Fun Fly profit was \$259.34. This year's profit looks to be over \$700 thanks to all the donations received this year. We also received a donation from the Eagles of a \$100. Thank you Eagles! A special thanks to Maxine for helping to get a lot of the donations.

We would also like to thank Jack DeLisle, Todd and his wife Jen Litke, Ed, Sheila and Josh Olszewski, Doug and Brian McLaren, Kirk Churchill, Keith Graham, Bud Joachim, Gary Smedes, Greg Feyers, Mark Morrow & his wife, Mike Grant and Carl Jones for their work at the field.

We would also like to thank the following businesses for their donations: Horizon Hobbies, Master Air Screw, Balsa USA, Carter's Grocery, Channel 6, Sig Manufacturing, Midwest Auto, Grants Custom Aircraft, Rankin Meats, ABC Warehouse, Little Caesars, TCF Bank, White Oaks Golf Course, Red Lobsters, Olive Garden, Chan's Buffet, Goodells Market, New Haven Elevator (in Wadhams), Buff's Oil Change (on 24th street), and Q-County 107.

Channel 6 was out recording our Fun Fly. Don't forget to watch the video on July 12th and 19th (Mondays) at 7:30 PM. If I get my copy by the meeting, I'll try to bring it to watch afterwards.

I hope you got to see Todd fly his Sukhoi one last time, because it's on its way to the east coast. He sold it to a gentleman from New York. We look forward to watching Todd dazzle us with the Cap and helicopter.

Now we have to gear up for our club picnic and Flying demonstrations during the 4H Fair coming up in 4 short weeks. We still have some work to do on the field to spruce up the wet spots.

We also have a couple kids groups coming out to our field so keep on eye on the website to see when you can come out and show what you can do.

See you at the field!

All events are open to other clubs to
participate and are more than welcome to
come out and support the hobby of R/C flying.

(If anyone knows of any other clubs' events,
let me know so I can get them in here.)

June Meeting

Meeting started at 6:15 pm with 14 members present.
Ron showed the club his new little Toni Cosmic Classic.

The secretary's report was read and accepted.
Doug/Ron made motion to accept the modified
treasurer's report. \$120.05 for starter was on prior
months and current month reports.

The Port Huron Hobbyfest has been postponed to
September 19th from 10 to 4 pm at Pine Grove Park.

The tension spring on the Woods is loose. Kirk bought
new springs to fix it.

June Meeting (continued...)

The need for volunteers for the Fun Fly was discussed.
We have volunteers for concessions, working the grill,
raffles and frequency board.

Parking and bleacher location for the spectator's area
was discussed. Kirk suggested adding spectator
protection on the bleachers by hanging an awning on
10 foot polls which would provide protection from
falling planes. Other suggestions were handing out
agendas with warning on the bottom.

Kirk will talk to the park about a wiring proposal. BMX
might not let us have a permanent tie-in.

Raffle prizes. Horizon has sent a box of stuff to use for
prizes. Master Airscrew sent some also. Balsa sent a
hat. Mark Marrow will bring cheese-its, 48 bottles
water, 30 packs of vender Oreo cookies. Todd is
donating foam gliders. Club members should bring
pop and a cooler with ice to the fun fly. Kirk will bring
his generator. Mike Grant donated Widgeon & CB kits
and cutting boards. Ray dart donated a case of 15%
fuel.

The Eagles' event listing for their fun fly was reviewed
to see if we could use some of events for our fun fly.

The canopy donated by Mike Grant will be put up
during our workday. We will have another work day
after the fun fly to touch up some bad spots on the
field and in the spectator's area.

Jim Kwiatkoski put his biplane in the tree behind Stan's
tree. We hope he is able to put the many parts back
together.

Yellow and green paint and brushes will be needed for
the workday, and we will be putting in a vent pipe in
the Port-a-John.

Bud Joachim thanked the Propbusters for use of our
field for the 65 to 70 kids. They were sitting on a tarp
on the field with table and benches for a barrier. The
Eagles sent pictures to AMA and their newsletter.

Algonac - July 30th. Glenn was contacted by a school
that is going to be coming out to the field.

We discussed ways of getting a Tax Exempt number to
use for purchasing field maintenance equipment.

No Fly zone posting for the end of the field was
brought up. Ed suggested getting it professionally
done with a cost of around \$100. Doug/Ron made
motion to spend \$100 for signs at the end of the field.

Protection against field vandalism was discussed.
Kirk suggested putting different colored flags every
couple hundred feet to help locate downed plans in the
corn field.

Sheila/Jack made a motion to end meeting at 7:35.

Eagles Exhibition for Eddy Elementary

June 3rd saw the Eagles hosting the first grade classes of Mrs. McIntosh, Mrs. Herr and Mrs. Carrell from the Eddy Elementary School in St. Clair.

The kids arrived at our field on a cloudless sky, sat on a big tarp and enjoyed the show put on by the Eagles and a couple of Propbusters (Mike R. and Ron P.).

The highlight of the day for the kids was the loss of Maynard LaParl's Senior Kadet.

Pilots Needed for July 30th

The Propbusters and Redline Racing are putting on a show for the kids from Algonac School district on July 30th from 11 am to 3 pm. Please try to come out and lend a hand. Don't forget, "Youth is Our Future".

Redline Racing

Come out and join them at the track on Sundays for some racing.

Registration starts at 11 am with races beginning at 12 pm EVERY Sunday.

Practices start at 4:30 pm Wednesday and are free. If you sign up for Redline Racing at the races, race fees are waived for that day.

There won't be any racing on July 11th but the guys will be practicing. Come and join us!!

Propbusters Fun Fly – June 19th

With all the rain we'd been having all week, we were relieved to get a break. It was a bit breezy, but the sun was shining.

Jack DeLisle did an excellent job keeping the spectators entertained and informed throughout the event. Thanks Jake.

Since last year the club has added a paint ball shoot to our events. This year the cost was \$2 for 10 shots at Kirk's SPAD plane. Free R/C lessons were the reward for hitting the yellow bulls-eye on the tail. We had fifteen try and one young man manages to hit it.

Bud Joachim gave the kids a special treat from his candy drop plane. Everyone went away with full pockets.

Todd and Carl gave a great dual helicopter exhibition. Mike Roberge tried flying his electric plane in the wind but didn't have much luck.

The raffle was a hit this year. There were 32 items raffled off, including two plane kits and a watermelon. Many thanks to Doug for handling it.
